SPANISH OLIVES

E. Waldo Ward & Son been importing our olives from Spain since the early 1940s. Spanish Olives have an excellent flavor and texture unlike any olive in the world. We hand stuff the olives (except Pimiento) on our premises here in Sierra Madre and our Place Packed items are carefully placed by hand into the jars in an orderly, symmetrical fashion. Olives don't get any fancier than ours!

**Check out our website for great gift ideas and specials.
You can now order online and pick up at our store in
Sierra Madre without paying extra for shipping. Take
advantage of our online-only specials.**
